Functional coating FN®

Long-term and gentle protection against graffiti

- ✓ Easy graffiti removal without damaging the substrate (prevents deep penetration of spray into the substrate)
- ✓ Suitable especially for historical and representative buildings
- ✓ High vapor permeability
- ✓ Excellent resistance to attack by microorganisms, everyday super strong self-cleaning effect against facade darkening. Clean appearance for at least 10 years
- ✓ Ecological solution: fully inorganic base without solvents and organic substances
- ✓ Certified for concrete and other common building materials
